IN SENATE. SATURDAY, Feb. 27, 1847.

Prayer by the Rev. Mr. WATERMAN. Mr. MARSHALL introduced a bill to change the terms of the Oldham and Henry Circuit Courts;

The SPEAKER remarked, that he would be compelled to leave Frankfort on to-morrow, and suggested the propriety of electing a Speaker for the re-

mainder of the session. Mr. WALL nominated Mr. ROBERT S. TOBD, who

was unanimously elected. Mr. DRAFFIN reported a bill, divorcing Ann Elliott from her husband, John Elliott, and confirming the marriage of said Ann, with John Wright. The Assistant Secretary of the H. R. reported

sundry bills, which had passed that house. Mr. WILLIAMS moved to take up all the bills from the H. R. just reported, which are returned with amendments.

An act to reduce into one, the several acts concerning the town of Georgetown; passed.

An act for the benefit of Robert Triplett; passed. An act establishing the town of Monterey, in Owen county; passed. An act to add an additional term to the Mason and Fleming Circuit Courts-reported from H. R. with

an amendment, which was concurred in. Anact to incorporate the Lexington and Licking Valley Railroad Company; reported with amendments, which were concurred in.

An act to amend an act, incorporating certain Turnpike road companies; approved, Jan. 29, 1829. Mr. BOYD hoped the bill would pass. The House of Representatives has passed it by an overwhelming vote. It was fully discussed in the other end of the Capitol, by those familiar with the grievances sought to be remedied.

Mr. WALL was a member of the committeee to whom this bill was referred. He did not deem the passage of the bill proper, he believed its passage could be of no benefit at all to those who claimed to be interested, for it seemed to him, that the bill if passed, being in contravention of the charter,

would be perfectly nugatory. Mr. KEY was very desirous to do every thing in his power to accommodate the citizens along the Maysville road, but he concurred with the Senator from Harrison, (Mr. Wall,) that the passage of this bill will not effect the object desired

Mr. BOYD rejoined. He did not concur with the honorable Senators, as to the effect of this bill. He regarded the bill now under consideration, as a mere declaration of the opinion of the Senate, upon the proper construction of the original charter. The bill passed.

An act for the benefit of John V. Cowling and Jessee A. Moorman; passed.

A number of House bills were taken up and act-

ed upon. (It is unnecessary to repeat them here, as they will appear in the Synopsis in a few days.)

Mr. DRAFFIN moved a reconsideration of a

bill for the benefit of Robert Williams-yeas 18, navs 9; reconsidered.

Mr PEYTON opposed the passage of the bill, because there had once been a full settlement of the matters of account between the State and this gentleman. The effect of the passage of this bill, will be to open again, all demands of contractors which have been settled heretofore. Is there to be no end to these claims! If we are to consider, settle and then again reconsider, these claims against the Commonwealth, the time will never come when we will be able to determine how we stand as a State; or what is the extent of our indebtedness. The passage of this bill opens the door to numerable frauds upon the Commonwealth. But this case has been once settled, there is no allegation of mietake. I am therefore opposed to it.

Mr. SWOPE remarked that the State had paid Mr. Williams for what work he had done, but there never had been a settlement of the damages which those gentlemen sustained by a suspension of the

Mr. BRISTOW said, as a member of the committee had called upon Gov. Metcalfe, who stated that there had been no settlement of the claim set up for damages, and for which this bill provides. He desired to do justice to every creditor of the State, and should therefore v. te for the bill.

Mr. CRENSHAW read from the report of the Board of Internal Improvement, in reference to the settlement of claims of the contractors upon Lick-

Mr. SWOFE explained that the item now claimed, was not settled by the Board, in the general settiement referred to in the document of the Senator from Barren.

An act to authorize the Board of managers of the Versailles road, to establish a turnpike gate within a quarter of a mile of the town of Frankfort.

Mr. RUSSELL asked a call of the Senate. The bill was rejected, yeas 13, nays 17.

Mr. JAMES reported a bill from H. R. for the benefit of James Coyle, with the opinion that it ought

The Senate refused to order the bill to a third reading

Mr. JAMES reported a bill from H. R. for the benefit of the Militia of the county of Floyd, called out under General Hager, with an amendment.

Mr. HARRIS explained the circumstances connected with the affair which rendered the call upon the militia necessary.

Mr. RICE having been present at the court in Floyd, when the facts connected with the affair were fully developed on the trial of some of the parties, concurred fully with the Senator from Floyd, in the propriety of passing the bill.

The bill was passed. The consideration of the act for the benefit of

Robert Williams, resumed. A statement from Gov. Metcalfe was read, in relation to the character of the settlement made with the Licking Contractors.

Mr. BUTLER thought it very evident from the report, that all the questions connected with these claims which were proper to be considered, had been settled finally, and hence he thought it was unnecessary to send this question again to Commis-

Mr. SWOPE read a statement from Gov. Metcalfe, viz:

T. Metcalfe submits the following remark: It is not possible for me now to examine this statement, (statement of Mr. Williams,) but supposing it possible that a minute and thorough investigation might satisfy the mind, that in equity and good conscience, something ought to be done by the sovereign power, to relieve at least some of the Licking Contractors from the losses they appear to have sustained, I, with due deference suggest whether it may not be well to appropriate a given sum for their relief, to be divided amongst them, as the Commission appointed for that purpose, may deem equitable. Some of their cases are harder upon them than others, as I have no doubt.

The bill passed—yeas 17, nays 16.

Mr. BRADLEY reported sundry enrolled bills,
which were signed by the Speaker of the Senate.

The Senate took a recess until 3 o'clock.

EVENING SESSION.

that it gave him great pleasure to announce to the Senate, that the unfortunate difficulty which arose in the course of a heated debate a few days since, between the honorable Senators from Breckinridge and Hardin, (Messrs. PEYTON and HELM,) had been, through the intervention of friends, honorably and amicably adjusted. The SPEAKER remarked, that it gave him infinite satisaction, to make this animuncement to the Senate. The gentlemen having long been friends, it would have been painful to me. said the Speaker, to have left the Capitol with the reflection that two honorable Senators who had met as friends had parted otherwise.

Mr. WALKER asked leave to report a bill for the benefit of Geo. W. Ewing.

Mr. PEYTON, from the Judiciary committee, asked leave to be discharged from the further consideration of the business before them. Mr. WALKER asked to be discharged from the

further consideration of the petition of Thomas J. Miller; discharged. The same committee was discharged from furth-

er consideration of all matters before them. A communication from the Governor, nominating William W. Alexander, to be attorney for the Commonwealth in the 13th Judicial District; Virgil McKnight and U. E. Ewing, to be Directors on the part of the State, in the Bank of Kentucky: Madison C. Johnson and Henry Duncan, to be Directors on the part of the State in the Northern Bank of Kentucky: William H. Bemis to be Police Judge

of Blandville, Ballard county, Kentucky. The rules were dispensed with; the nominations taken up, and it was

Resolved, That the Senate do advise and consent to said nominations. Mr. BUTLER introduced a bill for the benefit of

Sylvester Thomas; passed.

Mr. RUSSELL asked leave to bring in a bill for the divorce of Mary B. Alfriend; bill reported and

Senate took a recess until 7 o'clock.

Night Session.

Mr. WALL moved to reconsider the vote by which the committee were discharged from the further consideration of the petition of Thomas J. Mil-The vote was reconsidered.

Mr. WALL remarked that he desired the ques tion presented by this petition, to be presented fairto the Senate. The grounds of the request to edischarged, he understood from the Chairman, to be, the fact that it did not appear that any notice had been served on Mr. Whitehead, the gentleman through whose land, the proposed road would pass. Mr. W. said, he was not authorized to say any such notice had been given; indeed he supposed, from the fact that he had not heard any thing of it, having been the Lawyer of Mr. Whitehead upon the trial of this question before the Courts, that no notice had been in fact given. He would say, however, to the Senate, in justice to Mr. Miller, that he had no doubt the statements in the petition were strictly true. The position occupied by me, said Mr. W is one of some delicacy, and having laid the facts so far as they are within my knowledge, before the Senate, I submit it to their decision.

The petition was on motion, laid on the table. And the Senate adjourned.

HOUSE OF REPRESENTATIVES.

Prayer by the Rev. Mr. CHADBURNE. Mr. BUSH presented a petition; referred,

Leave of absence was granted to Mr. Wortham for the remainder of the session. Mr. WILLIAMS moved to suspend the order of

business for the purpose of taking up a bill reported from the Senate, to amend the revenue laws. The yeas and nays being called, the vote stood; yeas 39, nays 41. So the House refused to suspend. Reports from Standing Committees.

Mr. McHENRY from the committee on the Judiciary reported a Senate bill to incorporate the Kentucky State Colinization Society; passed.

Also-a Senate bill for the benefit of James Pike of Graves county; passed. Also-a Senate bill in relation to selling spiritu-

So the bill was laid on the table. A message was received from the Senate, announ cing the passage of sundry bills, amendments, &c. Mr. MUNFORD from the committee on Enrollments reported the enrollment of sundry bills, which

thereupon received the signature of the Speaker. The House took up a Senate bill to incorporate companies to construct locks and dams No. 6, 7, 8, 9 and 10, on the Kentucky river.

Mr. WILLIAMS moved an amendment, requiring the companies to pay the same bonus to the State, as is required from the Licking and Lexington Railroad coinpany; rejected, yeas 24, nays 65.
The bill then passed. The vote stood as follows:

Mr. W. S. BOTTS, from Select committee, reported a bill for the benefit of the Kentucky Luna-

tic Asylum, at Lexington. Mr. WALLER moved to amend the bill, by striking out the first section, providing for an increase in

He believed it important to the inter-

ests of the institution that this increase should be The SPEAKER on taking the chair, remarked, made. In recommending this, he did not intend any disrespect to the present members of the Board.

Mr. WALLER stated that the Institution had been reorganized several years since, from which time it had been prosperous and useful, and no dissatisfaction existed, except among a few members of the old Board. If this is the case, is it not answer enough to all objections to the present Directory! The present organization of the Institution s the same as that of all similar institutions in the United States. The number of Directors is the same. It appeared that a change at this time, when the Institution is in successful operation, would not ne wise or indicions.

Messrs. Brown, Haggard and Alexander further remarked upon the amendment proposed, and incidentally upon the general management of the Institution, and upon the position of the Board of Direc-

The amendment of Mr. Waller was then adopted; yeas 52, nays 38.

The bill under consideration appropriates \$10,000 to complete a building already commenced, for the use of the Asylum.

Mr. W. S. BOTTS explained the position of the edifice, the construction of which is commenced, and the sum necessary to complete it. The building is 110 feet long, 66 feet wide; is four stories high, with a basement story. In addition, it is necessary to construct a reservoir, to guard against fire. He did not believe the appropriation was too large for

the needs of the Institution. Mr. HAGGARD did not believe so large an appropriation was necessary. He was for granting an appropriation sufficient to complete the building. but thought a less sum sufficient. After explaining further respecting former appropriations, he moved to recommit the bill to a select committee, with instructions to report at 3 o'clock, I'. M., with the appropriation of \$10,000 stricken out.

Mr. BROWN opposed the motion, when the vote was taken, and the motion prevailed.

A bill for the benefit of Isham Jones, of Whitley county, was taken up and passed.

Appropriation Bill.

Mr. BROWN, from committee on claims, reported the General Appropriation bill. On motion of Mr. MERIWETHER, the House went into committee of the whole, Mr. WILLIAMS in the chair, on the above bill.

Mr. GRAVES moved to strike out the appropriation of \$400 to the Treasurer for a clerk.

After some discussion, a motion was made that the committee rise and report the bill to the House. The chairman decided it out of order to move that the committee rise, pending an amendment. Mr. BROWN appealed from the decision of the

Mr. WILLIAMS stated that his decision was not founded on any particular rule, but upon the purpose of going into committee, to allow free discussions and ample opportunity for offering amendments. Therefore, the previous question did not apply in committee of the whole, and a motion for the ommittee to rise, pending an amendment, would have a similar effect.

After remarks upon the question of order, by Mesrs. MERIWETHER, BROWN, McHENRY aml ARMSTRONG.

The SPEAKER, remarked that in Congress, it was not in order to move any amendment in the House, not moved in the committee. But the practice of this House had been different. It was customary to entertain a motion for the committee to rise at any time.

The chairman conformed to the opinion of the Speaker, and entertained the motion.

The committee then rose and reported the bill to the House. The following amendments were made to the bill

Mr. PROCTER moved to strike out \$45, to the Doorkeepers for making fires, and insert \$55; lost. Mr. BROWN moved to strike out \$100 to A. B. F. Livingston, deputy Sergeant at Arms, and insert

The news of the death of Lieut. Ritchie is confirmed. He was on his way from Saltillo to Victoria. as the bearer of despatches, accompanied by ten dragoons, who were either killed or taken prisoners. The despatches borne by Lieut. R., contained the whole plan of operations in which the army is about to engage!

It is an island, very near the main land, and behind it is a safe hather for vessels of considerable size. The shore is rocky and the pass very crooked, but not extremely dangerous. In the course of the week we shall be on the Gulf, and if the northers and southersters do not send us to another world, you will soon receive a description of the battle and capture of Vera Cruz.

From the Observer and Reporter.

At the Bruen Honse, in this city, on Wednesday evening last, after a lingering illness, Mrs. Mary A. Deke, wife of Capt. N. W. Dike, of the P. S. Navy.

W. Duke, of the P. S. Navy.

The old proverb that 'Death seeks a shining mark' was never more truly exemplified than in the death of this Intelligent, interesting and pious lady. Possessed of all those high and emobbing qualities which beautify and adorn her sex, she was an orisinent to society, the pide of her numerous friends and the dol of her husband. A victim to that fell destroyer of so many of our race-consumption—her long and wasting illness served but to render her christian fortitude under affliction and her meek submission to files will whose child she was, the more striking and exemplary. Long did her relatives, acquaintances and friends hope to be blessed and comforted with her presence, her example, her intelligence and truly christian worth. But her untimely and melancholly fate has but added another to the navy evidences constantly crowding upon us of "what shadows ny evidences constantly crowding upon us of "what shadows we are, and what shalows we pursue." She has gone to the tomb while scarcely yet in the zenith of her womanhood, with the prayers of the virtuous and the good for the future beatitude. of her soul, leaving a serely affected husband, an interesting and promising boy of ten years of age, and a large circle of devoted sorrowing relatives and friends to lament, lo them, her irreparable loss. Their consolution will he, to cherish her memory and profit by her virtuous precepts.

This may certify, that I was laboring under the Liver complaint. Dyspepsia, enlargement of the Spleen, and the Dropsy of the Chest combined, for about nine months; and after I had been attended on, and given over to die, by three of the best Physicians in Tuscalousa, viz: Drs. Street, Leland and Searcy, at this distressing time, I called on the Indian Doctress, Mrs. Lyda Collins, and through her skill and valuable Vegetable Medicines, I now enjoy good health; therefore I recommend her practice and medicinesto the sick and afflicted. I lived in Tuscalousa, Ala., when the above cure was performed, but now I live in Mobile.
